About Us

About Us

From nature for nature

A journey that started with Hard work, dedication, and Passion is leading its way. We believe that every product can make a difference. Our commitment to sustainability is at the heart of everything we do, and we're dedicated to crafting faucets that not only enhance the look of your home but also promote sustainable living.

We understand that as a homeowner, you want to make choices that not only look good but also make a positive impact on the environment. Our team of skilled designers and engineers work tirelessly to create eco-friendly faucets that are both beautiful and responsible.

We believe that design should not only be about aesthetics but also about purpose. We're not just about selling faucets, we're a definition of inspiring sustainable living through design. We want to empower you to make choices that make a difference. Join us in our mission to create a better future, one drop at a time.

Choose Corsa Bath for faucets that are not only beautiful but also eco-friendly and responsible. Together, we can make a difference and create a sustainable future for generations to come.

Future *with* **CORSA**

The future is bright and filled with innovation,
As we strive to improve with each creation.
Our commitment to sustainability remains strong,
As we design faucets that will last long.
Join us on this journey towards a better tomorrow,
Where innovation and sustainability go hand in hand.

Who We Are ?

Indira Trading Company

Indira Trading Company was established in May 2013 and is a registered company in Sri Jayawardenapura Kotte. Our mission is to provide the Sri Lankan market with a wide range of high-quality faucets and fixtures sourced globally while ensuring affordability for every Sri Lankan. Our products are meticulously selected for their superior quality and functionality. We are proud to be the Sole Importer in Sri Lanka for Corsa Bath Fittings of India.

Nova Trading Company is the sole marketer and distributor of Corsa bath products for Indira Trading Company in Sri Lanka. We have been in the business since 2014, operating from Nugegoda, Colombo. As a marketing and distribution company, we prioritize customer and dealer satisfaction by offering high-quality bath products at competitive and affordable prices, complemented by an island-wide product warranty.

Vision & Mission

A Promise of Quality since 1996

A Vision of Quality with design, a promise of reliability and sustainability. We are Corsa community, started with a promise of providing our best for you and our mother earth. We believe that sustainability shouldn't come at a cost - which is why we've made it our mission to provide innovative products that are not only eco-friendly but also affordable and accessible to all.

Creating a brighter future, one faucet at a time

Our mission is to exceed expectations with innovative products that promote water conservation and good hygiene practices.

Core Values & Philosophy

WE SPEAK LOUDER THAN WORDS

- Quality: we are committed to providing our customers with the highest quality possible. Our quality control processes are rigorous, and we stand behind every faucet we sell.
 - Creativity: We believe that great design starts with creativity. We're constantly exploring new materials and technologies to push the boundaries of faucet design and provide our customers with unique and cutting-edge products.
 - Durability: We know that a faucet is an investment in your home, which is why we design our faucets to last. We stand behind the durability of our faucets and are confident that they will provide years of reliable use.
